

# A Night To Remember

Vanessa Hudgens

Guess now it's official  
Can't back out, can't back out, no  
Getting ready for the night of nights  
The night of nights, alright  
Don't panic, panic

Now do we have to dress up for the prom?  
Dude I don't think we have the choice  
Yeah it's the night of all nights  
Gotta look just right  
Dressing to impress the boys

Do I want classic or vintage or plaid?  
Where's the mirror?  
I think this tux is too baggy  
Too tight, it makes me look weird  
Should I go movie star glamorous, sassy or sweet?  
Don't know, but no one better wear the same dress as me

It's the night of our nightmares  
It's the night of our dreams  
It's too late to back out of it, hey!  
Makeovers, massages, don't know what a corsage is  
Been waiting all our lives for this

It's gonna be a night, can't wait  
To remember, aw man  
Come on now, big fun, alright  
It's gonna be the night, I guess  
To last forever, lucky us  
We'll never ever ever forget

Gettin' ready, get gettin' ready  
Gettin' ready, get gettin' ready  
(Hey you been in there an hour man!)  
So, what should I do with my hair?  
Where's my shaver? Ooh, I love it  
I look like a waiter, should I fluff it?  
It's gettin' later, already should be there

Her mother opens the door, I'm shakin' inside  
He's here, it's time, the hour's arrived  
Don't know why, her father's staring me down  
Where's my purse? Lip gloss?  
Now I'm really freaking out  
Then something changes my world  
The most beautiful girl right in front of my eyes

It's gonna be a night, oh yeah!  
To remember, that's for sure  
Come on now, big fun, alright!  
It's gonna be the night, yeah tonight  
To last forever, forever more  
We'll never ever ever forget

Who's that girl? She's so fine  
Who's that guy? I don't recognize

Who's that girl? She looks so good, yeah  
Guess you never really notice, but you probably should

Big fun, on the night of nights, alright  
The night of nights, tonight  
Let's dance on the night of nights  
You know were gonna do it right

It's gonna be a night to remember  
It's gonna be the night to last forever  
It's gonna be a night to remember  
It's gonna be the night to last forever, last forever

It's gonna be our night, you know it  
To remember, for all time  
Come on now, big fun, to remember!  
Its gonna be the night, love it  
To last forever, the rest of our lives  
We'll never ever ever forget

It's gonna be our night, oh yeah!  
All together, say it loud!  
Come on now, everyone, that's right  
It's gonna be a night, yeah tonight  
To remember, hear the crowd  
And never ever ever, never ever ever  
Never ever, never ever ever forget!
