

# All For One

Vanessa Hudgens

The summer that we wanted,  
Yeah, we finally got it!  
Now's the time we get to share  
Each day we'll be together  
Now until forever,

So everybody, everywhere  
Let's take it to the beach  
Take it together  
Let's celebrate today 'cause there'll never be another

We're stronger this time,  
been there for each other  
Everything's just right

Everybody all for one,  
A real summer has just begun!  
Let's rock and roll and just let go,  
feel the rhythm of the drums  
We're gonna have fun in the sun  
Now that all the hard work, work is done!  
Everybody, one for all and all for one!  
All for one, one!

Summertime together,  
Now we're even closer  
That's the way it's meant to be  
Oh, we're just getting started  
Come and join the party  
You deserve it, same as me  
Let's take it to the beach  
Take it together

Let's celebrate today 'cause there'll never be another

We're stronger this time,  
been there for each other

Everything's just right

Everybody all for one,  
A real summer has just begun!  
Let's rock and roll and just let go,  
feel the rhythm of the drums  
We're gonna have fun in the sun  
Now that all the hard work, work is done!  
Everybody, one for all and all for one!  
All for one, one!

Everybody up!  
Everybody rock it!

Take it from the top!

And never ever stop it!

It's not about the future

It's not about the past

It's makin' every single day  
Last and last and last!  
Fun and sun'What could be better?

Let's have fun  
Everyone together now!

Everybody, e-everybody now!  
This is where our summer really begins  
The very last time it's ever gonna be like this  
It's the party you don't wanna miss!

Guys rise!  
Show 'em we can make some moves, hey!

Girls!  
Show 'em we know how to groove, oh!

Here

and now

Let's turn the party  
Out!

Everybody jump in!

Everybody all for one,  
A real summer has just begun!  
Let's rock and roll and just let go,  
feel the rhythm of the drums  
We're gonna have fun in the sun  
Now that all the hard work, work is done!  
Everybody, one for all, everybody all for one,  
A real summer has just begun!  
Let's rock and roll and just let go,  
feel the rhythm of the drums  
We're gonna have fun in the sun  
Now that all the hard work, work is done!  
Come on, everyone let's dance!  
We can't let this moment pass!  
Let's make this party last!  
All for one!  
All! For! One!
