

# Can I Have This Dance

Vanessa Hudgens

Take my hand, take a breath  
Pull me close and take one step  
Keep your eyes locked on mine,  
And let the music be your guide.

Won't you promise me (now won't you promise me, that you'll never forget)  
We'll keep dancing (to keep dancing) wherever we go next

It's like catching lightning the chances of finding someone like you  
It's one in a million, the chances of feeling the way we do  
And with every step together, we just keep on getting better  
So can I have this dance (can I have this dance)  
Can I have this dance

Take my hand, I'll take the lead  
And every turn will be safe with me  
Don't be afraid, afraid to fall  
You know I'll catch you through it all

And you can't keep us apart (even a thousand miles, can't keep us apart)  
'Cause my heart is (cause my heart is) wherever you are

It's like catching lightning the chances of finding someone like you  
It's one in a million, the chances of feeling the way we do  
And with every step together, we just keep on getting better  
So can I have this dance (can I have this dance)  
Can I have this dance

Oh no mountains too high enough, oceans too wide  
'Cause together or not, our dance won't stop  
Let it rain, let it pour  
What we have is worth fighting for  
You know I believe, that we were meant to be

It's like catching lightning the chances of finding someone like you (like you)  
It's one in a million, the chances of feeling the way we do (way we do)  
And with every step together, we just keep on getting better  
So can I have this dance (can I have this dance)  
Can I have this dance
