

# Gone With The Wind

Vanessa Hudgens

Hey, yeah  
I used to think  
Being like you  
Was the key to having everything  
Every dream come true  
I used to think  
Following the crowd  
Was the only thing that I could do  
Until I found out

I'm OK  
Sometimes you have to do your own thing  
Every winter turns to spring  
And everybody's got their own wings

The little girl you knew  
The one who never stood up to you  
Who kept her silence too long  
Well she's gone with the wind  
And now I'm standing my ground  
And who I am and for that I'm proud  
And the girl that you knew  
Well she's gone with the wind  
She's gone (she's gone)  
Gone (she's gone)  
She's gone (she's gone)  
Gone (she's gone)  
She's gone (she's gone)  
Gone (she's gone)  
Yea she's gone with the wind

I'm speaking out  
My conscious is clear  
And I don't care what anybody thinks  
I still fear less fear  
And I don't have to be  
What you want me to be  
Cause every time I try to fit in  
Feels like i'm in a prison

I'm OK  
Sometimes you have to do your own thing  
Every winter turns to spring  
And everybody's got their own wings

One look in my eyes  
And you'll see I'm different  
I'm finding myself everyday  
And i'm on the way  
I have changed
