

Let's Dance

Vanessa Hudgens

Dance!
It's so hot
I can't stop
The music fills the room
Vibrations
Sensations
That beat goes boom boom boom
I've got to keep it together
I've got to keep it together
I've got to keep it together
Watch the crazy people dance

Let's dance (let's dance)
Show me (show me)
Hold me (hold me)
Control me (yeah)
Let's dance (right now)
Take me (take me)
Shake me (shake me)
Make me (make me)

Let's dance
Just like that
Don't hold back
Get crazy on the floor
We'll have fun
All day long
And then we'll still want more
I've got to keep it together
I've got to keep it together
I've got to keep it together
Watch the crazy people dance

Let's dance (let's dance)
Show me (show me)
Hold me (hold me)
Control me (yeah)(yeah)
Let's dance (right now)
Take me (take me)
Shake me (shake me)
Make me (make me)

Look in my eyes
You'll realize
We can't deny
I'm into you and you're so into me
And you know you can't fight what is meant to be

Let's dance (let's dance)
Show me (show me)
Hold me (hold me)
Control me (yeah)
Let's dance (right now)
Take me (take me)
Shake me (shake me)
Make me (make me)
