

# Make You Mine

Vanessa Hudgens

(All I want to do is stand close to you)  
(All I want to do is stand close to you)

I'll be the one to tell everyone I'm gone  
I've fallen in  
To a place I can begin to understand.  
I'm just happy you're here to hold my hand

All I want to do is stand close to you  
Be by your side  
All I want to do is make the world revolve  
Around you and I  
What I would give up  
What I would go through  
To get it right  
All I want to do in this lifetime is make you mine  
All I want to do in this lifetime is make you mine

My secret's out  
It's been hidden in my heart  
That's over now  
I want everyone to know I found it all  
You're the everything I've never had  
And baby I got it bad

And it's far too hard to see (to see)  
What the future will be  
Everywhere I go (everywhere I go)  
Everywhere I go now you're with me

(Make you mine)  
(All I want to do is stand close to you)  
(Make you mine)  
(All I want to do is stand close to you)

Na na na na, na na na na na, Yeah  
Na na na na, na na na na na, Make you mine  
Na na na na, na na na na na, Yeah  
Na na na na, na na na na na, Make you mine  
Na na na na, na na na na na, Yeah  
Na na na na, na na na na na, Make you mine  
Na na na na, na na na na na, Yeah  
Na na na na, na na na na na, Hey hey  
Na na na na, na na na na na, Yeah (make you mine)  
Na na na na, na na na na na, Make you mine  
Na na na na, na na na na na, Yeah  
Na na na na...
