

When There Was Me And You

Vanessa Hudgens

It's funny when you find yourself
Looking from the outside
I'm standing here, but all I want
Is to be over there
Why did I let myself believe
Miracles could happen
'Cause now I have to pretend
That I don't really care

I thought you were my fairytale
A dream when I'm not sleeping
A wish upon a star that's coming true
But everybody else could tell
That I confused my feelings
With the truth
When there was me and you

I swore I knew the melody
That I heard you singing
And when you smiled you made me feel
Like I could sing along.
But then you went and changed the words
Now my heart is empty
I'm only left with used-to-be's
And once upon a song

Now I know you're not a fairytale
And dreams were meant for sleeping
And wishes on a star just don't come true
Cause now even I can tell
That I confused my feelings
With the truth
Because I liked the view
When there was me and you

I can't believe
That I could be so blind
It's like you were floating
while I was falling
And I didn't mind

Because I liked the view
Oooh oooh oooh
I thought you felt it too
When there was me and you
