

## So Long Ago, So Clear

Vangelis

Once, we did run  
How we chased a million stars  
and touched as only one can  
Once, we did play  
How the past delivered you  
Amidst our youth we'd dream away, away

As if I knew the words I'm sure you'll hear  
Of how we met as you recall so clear

Once, we did love  
Long ago how did I forget  
Holding you so closely

Look, how I move  
Chance would have me glance at you  
To know how you move me  
Me, all barriers fall around us as we hear  
Of memories known and matters long ago, so clear

Once, we did run  
How we chased a million stars  
And touched as only one can
