

# Echoes

Vanic

Lost in the echoes  
Covered in shadows of your soul  
Strong but I wanna let go  
Flying just to watch you fall  
Lost in the echoes  
Covered in shadows of your soul  
Lost in the echoes

Lost in the echoes

Stuck in the void  
I see the light, the light  
So paranoid  
Felt so alive, alive

Covered in shadows of your soul  
Strong but I wanna let go  
Flying just to watch you fall  
Lost in the echoes  
Covered in shadows of your soul

Stuck in the void  
I see the light, the light  
So paranoid  
Felt so alive, alive

Lost in the echoes  
Lost in the echoes

Lost in the echoes  
Lost in the echoes  
Lost in the echoes
