

Forever Down

Vanic

Welcome to my heart, welcome to my soul
If you want to know more I'm open, yeah
Just like a library, you can read me baby
You'll find me on page 3, yeah
Take your time it's okay, I'm in no rush today
Oh we could just stay here, oh
Don't you love the feeling, when you don't need a reason
To feel good, you feel good, yeah

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you
Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you
Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you

Ay, yuh, ay, yuh
Ay, I feel alive when the moon full, uh
But I feel dead when my cup dull
And I been swimming in emotions like a swimming pool
Wearing my heart on my sleeve, seeing if I could get you
Say, lil mama, I been paper chasin'
Hopin' that you could wait for me
I see that your heart open with some vacancy
And with them petty-ass arguments, don't debate with me
Now frankly, I'm feelin' like a demon, schemin'
I just poured the 6 inside the crush, now I'm leanin', beamin'
I couldn't let any fuck nigga fuck you for no reason
I pull up, the tip in, now you straight cheesin'
Now I realize I love hard, die young, get that
Keep a couple racks up on my side just to flip that
If you fuckin' with my lil shawty, I'ma wet that
And if you ever need daddy, just call me, I'm gon' get back

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you

Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you
Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you

Baby let's run away

Run away
I'm forever...
