

Forever Down

Vanic

Welcome to my heart, welcome to my soul
If you want to know more I'm open, yeah
Just like a library, you can read me baby
You'll find me on page 3, yeah
Take your time it's okay, I'm in no rush today
Oh we could just stay here, oh
Don't you love the feeling, when you don't need a reason
To feel good, you feel good, yeah

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you
Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you
Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you

Welcome to my heart, welcome to my soul
If you want to know more I'm open, yeah
What's your favourite colour, violet, green or other?
I'm no good at small talk you know this yeah
Let's just skip the surface, we can take it further
Like what keeps you up at night
Tell me what you're scared of, I will be your armour
Even when it's hard yeah, I'm down for you

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you

Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you
Oh-oh-oh, oh-oh-oh, oh-oh-oh
I'm forever down with you

Stop your watch, don't need to watch
Let it breathe, I'm forever down with you
Baby let's run away
Run away, I'm forever down with you

Baby let's run away
Run away
I'm forever...
