I can't stay away 'cause you look so good on me

Everybody craves a little danger
You take me where I've been too scared to go, oh
You open up what's hidden in my nature
And every time we're done I want it more, yeah

I can't stay away, I've been bad and you're to blame
They say I should pray, but you look so good on me
I'm as good as gone ever since I tried you on
I can't stay away 'cause you look so good on me
'Cause you look so good on me
'Cause you look so good
