

# Save Yourself

Vanic

We've been working out for a long time, for a long time  
Got you in a glass for a long time, for a long time

I know that you've been a running  
Hiding away and I don't know why  
Keeping it in, in a prison  
Nobody wanna be locked inside

Oh, I'll make it better

You don't have to save yourself  
I'll be at the bottom  
I'll be there for you  
You don't have to save yourself  
Living at the bottle  
Craving for the truth  
And when the night is falling on your heart  
I'll be there in the dark  
To reignite your heart  
You don't have to save yourself  
I'll be at the bottom  
I'll be there for you  
I'll be there for you

I'll be there for you

If you lose your way you're not losing me  
Don't care what they say I'm not listening

I know that you've been a running  
Hiding away and I don't know why  
I wouldn't need you for nothing  
And nothing could ever go change my mind

Oh, I'll make you better

You don't have to save yourself  
I'll be at the bottom  
I'll be there for you  
You don't have to save yourself  
Living out of the bottle  
Craving for the truth  
And when the night is falling on your heart  
I'll be there in the dark  
To reignite your heart  
You don't have to save yourself  
I'll be at the bottom  
I'll be there for you  
I'll be there for you

I'll be there for you

You don't have to save yourself  
I'll be at the bottom  
I'll be there for you  
You don't have to save yourself  
Living at of the bottle

Craving for the truth  
And when the night is falling on your heart  
I'll be there in the dark  
To reignite your heart  
You don't have to save yourself  
I'll be at the bottom  
I'll be there for you
