

## Theta

Vanic

Living but not alive  
Our existence is a lie  
Living but not alive  
Our existence is a lie

Living but not alive  
Our existence is a lie  
Living but not alive  
Our existence is a lie

Theta is also hypnosis, and the idea is this, before you can be come conscious, if you don't have any problems, what are you going to be conscious of?

Living but not alive  
Our existence is a lie  
Living but not alive  
Our existence is a lie

Living but not alive  
Our existence is a lie  
Living but not alive  
Our existence is a lie

Theta

Your life is being lived, even though you think you're living your life.
