Vanilla Fudge

Youldeu-Chrysalis Music Ltd.  
No more tell you woman  
To be so mad with me  
I didn't do nothing  
For you to treat me eviley

(chorus)

Cause I made up my mind  
I made up my mind  
I made up my mind  
That your the girl I want to be mine

Oh listen to my story  
Before you send me away  
Please don't nail me baby  
Until you've heard what I got to say

(chorus)

Cause I made up my mind  
I made up my mind  
I made up my mind  
That your the girl I want to be mine

I just want you baby  
To be on my side  
Show me your sweet nature  
Act a little nice and kind

(chorus)

Cause I made up my mind  
I made up my mind  
I made up my mind  
That your the girl I want to be mine

Oh listen to my story  
Before you send me away  
Please don't nail me baby  
Until you've heard what I got to say

(chorus)

Cause I made up my mind  
I made up my mind  
I made up my mind  
That your the girl I want to be mine

I just want you baby  
To be on my side  
Show me your sweet nature
