## **Ice Cold**

Vanilla Ice

Put your bad self, put your bad self Put your bad self, put bad, bad self

All right, stop, spread yourself around Get loose girl, let's break it down Get down, straight to the floor Get excited and beg for more

As I go on, flow on with a smile Pay attention to my style Dirty but hot, you know what I mean? Get loose girl like a sex fiend, let's do it

'Cause you know what I want Me and you baby go one on one Get freaky and I do the same Get hot and I ride like a sex machine

Ice cool and you're colder than ever, I like it Ice cool and you're colder than ever, I like it

Ice cold, cooler than ever Never say never 'cause I'm so damn clever Lickin' your lips, I'm ridin' your hips V I P posse and we're pimps

Be on the lookout in your vicinity I'm robbin' virgins of their virginity Like Robin Hood gave to the poor I rock kashla and now she wants more

She calls everday, it's gettin' kinda' silly But she rides my saddle like Bronco Billy In a rodeo somewhere out west She screams out "Vanilla Ice, you're the best!"

Echoing out, can you hear? She screams out everywhere I'm just a pimp and you know Snatchin' women, so yo

You can beg, plead tell me you love me But there's no way I'd put a girl above me Unless it's sex and you wanna ride Jump on my saddle, baby, get live

Ice cool and you're colder than ever, I like it Ice cool and you're colder than ever, I like it

Move your body all around This is the dope jam, so get down Now that you like what I'm sayin' admit it This is the jam and Vanilla just did it

I made you work 'til your butt got sore In other words, I'm about to get raw On stage, it's a V I P Doin' dances from A to Z

Pumpin' it, pushin' it, stick it hard I freaked your girl in the back of your car I wore a jimmy that I slapped on Popped a rubber duckie, so bought me a trojan

Get ready, hyped into the groove As I practiced to make your body move You're fienin' for a meanin', oh yes, I'm comin' Vanilla Ice is here so you suckers start runnin'

This is the jam I know you're gonna like Deshay he cuts like a knife He won't smirk and he won't smile Deshay get funky for a while

Yo, it's time for me to pump, pump Pump up the volume Pump up the volume Pump up the volume

Ice cool and you're colder than ever, I like it Ice cool and you're colder than ever, I like it Ice cool and you're colder than ever, I like it ...
