

## Rock Star Party

Vanilla Ice

Yeah, we in Vegas baby  
Uh, where the party at  
It's in the hotel, in the hotel  
Rock star party in the hotel

Blazing facts back equipped with six gears  
Fresh off the year my house is three tiers  
Eastwood the track, DJ be bumpin' fear  
Well, I'm a man ain't no need for you to steer  
And when I got it I can see it real clear  
I'm loungin' on the pier with a case of cold beer  
A few making goods and a spear's here  
All dressed in cheers and my slippers Kashmir

We in Vegas, Vegas  
Rock star party in Vegas  
Uh, get crunk with it, get crunk with it  
Get crunk with it  
I'm in Vegas, rock star party in Vegas

That's the sound of the ninjas party  
This is my year, now get that to your ear  
Yeah I'm right here, I put an engineer  
A front line soldier but you came into the rear  
My stylo avocado where my tunas can sear  
Hear my mack groupies yo my name they try to smear  
I appear gangsta mode and they disappear  
I'm holding grey near and everything I spit  
Guaranteed world premier

We in Vegas, Vegas  
Rock star party in Vegas  
Uh, get crunk with it, get crunk with it  
Get crunk with it  
I'm in Vegas, rock star party in Vegas

Oh yeah, if you party like a rock star  
Get your hands up, let me know who you are  
Uh, let's shine like a star  
Yeah, we in Vegas, get your shine on

We in Vegas, Vegas  
Rock star party in Vegas  
Uh, get crunk with it, get crunk with it  
Get crunk with it
