No - I'm all fu_ked up

Now, the industry has got me thinking twice Thinking with the treble mix, gotta shake em like dice Let the whole world know I can't go for that Girls know that I got gold and stacks In every cul de sac from the streets to the clubs I'm making hits and everybody's showing love Fact is I'm back and I'm rolling like Jackson Won't stop until I'm back at multi platinum So I start with some action, I'm the main attraction Here to lie down to the west crackin Stackin big chips, holmes, gotta get em Hauling in lots of residuals, what you got You can't choose me Bring it to you live for the year 2G Situation normal all fu_ked up Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - You never ever made me Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - I'm all fu_ked up Yo, Ice it's Jim splice me in - no, stop Begin, pause, cause I gotta call the next of kin Tell em where you been, tell em that you're ok DOA, here say, no way, won't say Dead yes, dead all, not dead and gone Like a multi-leader, a little bit withdrawn Time and go like a vicious cycle Then wham, make em think that you are coming out like George Michael On par to make people to turn in no sooner Hook, line, and sinker; like Charlie the Tuna Drop the hero and get with the zero I'll try to keep it clean like Mr. Belvedere Fu_k me, fu_k you, fu_k the single Don't want to take it in the can, you're not pringles But once you pop you can't stop So don't interrupt - situation normal all fu_ked up Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - You never ever made me Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me

Situation normal all fu_ked up Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - You never ever made me Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - I'm all fu_ked up Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - You never ever made me Thought I was a puppet you tried to play me Yeah - And I'm going crazy Thought I was a puppet you tried to play me No - I'm all fu_ked up

Round and round we go, where it stops nobody knows Round and round we go, where it stops nobody knows
