

# Satisfaction (Studio Version)

Vanilla Ice

Let it roll!

Aww yeah, remember this one?

Do it, Do it, do do do it.

Saturday night the club was packed but I can't get no action

The girl I want is frontin' hard, can't get no satisfaction

Thousand people in the club and the music's thumpin' hard

I must admit that I was slightly anxious to have my chord

Pulled by a girl in a nice tight dress

The kind that makes your body wet, hmm, I must confess

I tried but she said 'No' but fellas yo, I can't get no...

CHORUS

I can't get no

I can't get no

I can't get no

Satisfaction

A-Hey Hey Hey

That's what I say

Girlie at the ball, lookin' mighty fly

She looked so fly, at the time, had to make up, you know, my mind

So I walked up to her gently, just so I could speak

Man she turned around and scoped me down, started doin' The Freak

I tried all I could, I even said please

She moved my hands off her bootie, 'cause she was a skeeze

Man I had to escape, so I could get away

She asked me what was up, I said 'Come back another day'

CHORUS

The party's almost over, the club's about to close  
I saw this girl that rocked my world, so I suppose  
I'll take another chance, a try at romance  
I couldn't take my eyes off the back of her pants  
I moved very smoothly, a nice conversation  
The perfume she was wearing, oh, sensation  
She seemed kinda worried, like somethin' was wrong  
Tyson at my back, I had to move along

CHOURS

Do it, do it, do do do it

(Spoken)

Yo man, what's up with this, I got a #1 record!

-Yeah, that's right you do got the #1 record

And I got ????? freak with no ????

-You mean she has no onion?

She gots no onion, Money

-None?

None

-None.

Nope. She still makes me want to scratch it and grab it like I wanted it, tough! HAHAHAHA!!

CHORUS
