

Driving Through the Night

Vanilla Ninja

Hold me for this one last time
Hold me while you can
Your smile will follow me around
Your wild eyes set the scene

I don't know the reason for
Why I have to go

I'm driving through the night and you won't find me
I'm driving through red lights to be free
And though my heart is pointing the other way-a-a-a-ay
I don't push the brakes

Turning down the headlights now
Turning down my fear
Don't need a license for my pride
Still feel you by my side

I don't know the reason for
Why I have to go

I'm driving through the night and you won't find me
I'm driving through red lights to be free
And though my heart is pointing the other way-a-a-a-ay
I don't push the brakes
A-a-a-a-ay

I don't know the reason for
Why I have to go
I don't know the reason for
Why we have to part

I'm driving through the night and you won't find me
I'm driving through red lights to be free
And though my heart is pointing the other way-a-a-a-ay
I don't push the brakes
A-a-a-a-ay
A-a-a-a-ay
A-a-a-a-ay
