

Einherjer

Vanir

Raise your swords
Brave men of ODIN
This is our
Day to rejoice

We stand tall
Victorious now
Brave men fell
In the fires of war

We will gather
Around the pyre
Voices filled
With fiery hearts

Lift your horns
Drink till sunrise
Remember those
Whos flame went out

Hail to all, who bleed for this day
Hail to all who answered the call
Hail to those who died and passed on
Well see you again in ODIN's hall

Let us drink
to our kinsmen
Who we stod
Proud amongst

Warriors, Vikings
All brave men
Einherjer skål
for your bravery

We are the living
who live to fight on
We are the swords
That answered the call

A life lost
In mids of battle
A life well lived
In the heart of war

Hail to all, who bleed for this day
Hail to all who answered the call
Hail to those who died and passed on
Well see you again in ODIN's hall
