

## Ulfhednar

Vanir

Firey eyes glow, as battle breaks  
As the screams of men, who fear and aches  
I am the one who seeks death  
I am the one who seeks my death

I AM BORN A WOLF  
I AM BORN A WOLF

Blood is spilled, In the name of ODIN  
We are his wolf skinned warriors  
With, wolf pelt and a spear  
Spreading death and fear

We are  
More beast than man  
we live for the kill  
We die for the kill

I am  
A frenzied killer  
I am  
Berserker  
I am  
A beast within  
I am  
BORN OF WOLVES

I AM BORN A WOLF  
I AM BORN A WOLF

We are  
More beast than man  
we live for the kill  
We die for the kill

I am  
A frenzied killer  
I am  
Berserker  
I am  
A beast within  
I am  
BORN OF WOLVES
