

Adore

VanJess

Won't you be the blanket that keeps me warm
Hold me like I'm everything you adore
Kiss me til' I'm singing to you a song
Whisper to me I'm everything you adore

Tell me if it's heaven or hell you want
Is it shining diamonds or something rough?
Ohhh you know I'm aching for your touch
And you seem unafraid now take what your's
I'm delighted lemme show you how much
Don't you love a tiger showing claws
Yeah I'm so exited show me yours
Let the neighbors hear us open doors

Won't you be the blanket that keeps me warm
Hold me like I'm everything you adore
(Like I'm everything you adore)
Kiss me til' I'm singing to you a song
(Singing to you a song)
Everything you adore
Tell me if it's

Yeah you the boss
I'm a secretary on ya couch you
I got ya ways lemme learn some
On the desk on the floor
Lemme earn some
Nothing else matters tonight ...not tonight
Oh tonight
Keep me warm and hold me tight

You love it you want it
You're ready to go
Yeah You know that I get it
Why am I waiting for?
I earned it, you ready?
To give it or not? Yeah
You know that I got it
Why am I waiting for?
Ohhh yeah Ohhh I'm yours, I'm yours
Ya ready or no?
Ohhh I'm yours, I'm yours
You ready or no?
Ohhh I'm yours ...ohhh yeah
You ready or no?

Won't you be the blanket that keeps me warm
Hold me like I'm everything you adore
(Like I'm everything you adore)
Kiss me til' I'm singing to you a song
(Singing to you a song)
Everything you adore
Whisper to me I'm
Everything you adore
Won't you be the blanket that keeps me warm
Hold me like I'm everything you adore
(Like I'm everything you adore)

Kiss me til 'I'm singing to you a song
(Singing to you a song)
Everything you adore
Whisper to me I'm
Everything you adore
