

Boo Thang

VanJess

Yeah, ayy

I think about you in the morning
I think about when I'm yawning
Get, get [?]
All of your homies
Tell you I'm playing but they don't even know me, uh
I just wanna get to know you
Tell me what you got to lose
A couple guy friends, a little time
I can have you better than a thing doing nothing with it

Baby, I know you've been hurt
Heartbroken, so bad
I feel you, girl, I understand (I understand)
Oh, but if you were my girl
That would've never happened
No never, just trust me
Ain't no better

I could be your boyfriend
And you could be my boo thang
I don't wanna waste your time
Maybe I can change your mind, let me sing it again
You could be my girlfriend
And you could be my shawty
I don't wanna waste your time
Maybe I can change your life, sing it, oh yeah

Oh yeah, oh yeah
Oh yeah
Oh yeah, oh yeah
Ah-ha, ah-ha, ah-ha

Wanna be the one you notice, ha (Oh, oh)
Be the one you keep in focus (Yeah, yeah)
You got a history and so do I
You don't gotta have your way, you bad boy, it's nothing, no
I really wanna get to know you, uh (Oh, oh)
And all you gotta think to lose
A couple guy friends, a little time
You can love me better than 'em, they ain't doin' nothing good, uh

Baby, I know you've been hurt
Heartbroken, so bad
I feel you, boy, I understand (I understand)
But what if I was your girl
That would never happen (Would happen)
No never (No never), just trust me (Just trust me)
I know better

I could be your boyfriend
And you could be my boo thang
I don't wanna waste your time
Maybe I can change your mind, sing it again
You could be my boyfriend
And you could be my shawty

I don't wanna waste your time
Maybe I can change your life, sing it, oh yeah

(Yeah-yeah, yeah-yeah, yeah-yeah)
Oh yeah, oh yeah
(Yeah-yeah, yeah-yeah, yeah-yeah)
Oh yeah, oh yeah
(Yeah-yeah, yeah-yeah, yeah-yeah)
Maybe I can change your life, sing it, oh yeah
Oh yeah, oh yeah
(Yeah-yeah, yeah-yeah, yeah-yeah)
Maybe I can change your life, sing it again
