

## Come Over

VanJess

I hit you on your line  
I wanna come over  
I wanna come over  
No need to waste my time  
I wanna come over  
I wanna come over, baby  
When can we kick it tonight?  
Can we freak it tonight?  
When can we kick it tonight?  
Can we do all the things we like?  
We like, we like, we like

Somethin' came over me  
Want you to head over here  
It's true I've given mixed signs  
But now I wanna change my mind  
Yeah, I'm feeling real bold tonight  
Know what I want from this life  
Don't know how long you'll be around  
But I know what I need

And that's some lovin'  
I like your touchin'  
Ooh, it don't take no time  
Give it how you like  
Just as long as it's good  
If you're down, then it's cool  
Ooh, I think it's clear to you by now  
I need an answer, baby

I hit you on your line  
I wanna come over  
I wanna come over  
No need to waste my time  
I wanna come over  
I wanna come over, baby  
When can we kick it tonight?  
Can we freak it tonight?  
When can we kick it tonight?  
Can we do all the things we like?  
We like, we like, we like  
We like, we like, we like

Runnin' too long, I did  
Actin' so much, I did  
My true intent disguised  
But it seems you saw through the lies  
And kept me under it all  
Well, I'm feeling love for you now  
No more chasing blind  
I'm showin' everything

And that's some lovin'  
Our bodies touchin'  
Yeah, it don't take no time  
Give it how you like  
Just as long as it's good

If you're down, then it's cool  
Ooh, I think it's clear to you by now  
I need an answer, baby

I hit you on your line  
I wanna come over  
I wanna come over  
No need to waste my time  
I wanna come over  
I wanna come over, baby  
When can we kick it tonight?  
Can we freak it tonight?  
When can we kick it tonight?  
Can we do all the things we like?  
We like, we like, we like  
We like, we like, we like

Kick it  
Can you come over?
