

I Don't Need Him

VanJess

I said I don't really need him
He a lame motherfucker ow
I said I don't really need him

Said I'm the only girl you see, said you'd never walk away from me
Said you'd never leave me lonely, said you'd always give me what I want
Been blind, I could not see, see the lies in front of me
Been fooled by your kiss oh been played by you

Said I was always on your mind, said you had a whole lot on your plate
Said you'd try to make some time for me, oh babe
Been blind I could not see, see the lies in front of me
Been fooled by your kiss oh oh been played by you

You say "nah bae it's nothing"
You grab me on my booty then you give me those eyes
You tell me that I'm tripping and you know it
You tell me that I'm silly and you know it mm yeah
I guess you thought I was stupid
I guess you thought you were winning yeah
Nah I'm gonna say this one time for my ladies you can miss me wit it
