

Say Yes

VanJess

Baby, baby
Baby, baby

There is only one for me
And you have made that a possibility
And we can take that step to see
If this is really gonna be
All you gotta do is say yes

All you gotta do is say yes
Don't deny what you feel, let me undress you baby
Open up your mind, just rest
I'm about to let you know, you make me so
All you gotta do is say yes
Don't deny what you feel, let me undress you baby
Open up your mind, just rest
I'm about to let you know

You make me so, so, so, so, so, so, so, so
You make me so, so, so, so, so, so, so, so

Loving you has taken time, taken time
But I always knew you could be mine, mine, mine
I recognise the butterflies inside me
Sense is gonna be made tonight, tonight
All you got to do is say yes

All you gotta do is say yes
Don't deny what you feel, let me undress you baby
Open up your mind, just rest
I'm about to let you know, you make me so
All you gotta do is say yes
Don't deny what you feel, let me undress you baby
Open up your mind, just rest
I'm about to let you know

You make me so, so, so, so, so, so, so, so
You make me so, so, so, so, you, oh

You make me so

All you gotta do is say yes
Don't deny what you feel, let me undress you baby
Open up your mind, just rest
I'm about to let you know
You make me so, so, so, so, so, so, so, so
You make me so, so, so, so, so, so, so, so
