

My Day

Vanotek

I know I'm still walking
Starin' at the floor
Why do I keep on hoping?
What am I searchin' for?

I've gotta say goodbye, now
I'm leavin' you behind, now
Closin' all old doors
New chances are awaitin'
Baby, I am feelin'
So much better than before

I'm dreamin' away (Away)
From all of that sorrow
And all that's matte and gray
I'm dreamin' away (Away)
The sun is shinin'
Today is my day
My day, my day

Only the clouds are gone
Sky's brighter than before
No heart is not alone
And you know it, yes, I'm sure

I've gotta say goodbye, now
I'm leavin' you behind, now
Closin' all old doors
New chances are awaitin'
Baby, I am feelin'
So much better than before

I'm dreamin' away (Away)
From all of that sorrow
And all that's matte and gray
I'm dreamin' away (Away)
The sun is shinin'
Today is my day
My day, my day

Dreamin' away
Ah, oh
Ah, oh
Ah, oh
The sun is shinin'
Today is my day
My day, my day
