

My Mind

Vanotek

Mmmmmhhhh
Mmmmmhhhh
Mmmmmhhhh

Mmmmmhhhh
What's your story
'Cause you got me going on like this
You got my head spin.n.n.n.nin'
My heart without feel.feel.feelings

And I need two steps
'Till I'm ready to confess
'Round them in that growl
Why'd you have to be around
Wishin' no feelings inside
We resist but the feeling's alright
It's alright
It's alright
It's alright
Should I stay here by your side
Baby

You're messing with my, my, my mind
With my mind
Again and again
You're messing with my, my, my mind
With my mind
Again and again
You're messing with my head
I'm gonna fall
I'm, I'm gonna fall
For you tonight
You're messing with my head
I'm gonna fall
I'm, I'm gonna fall
Tonight

What's your power
'Cause your absence got me down like this
Your magic is work.work.workin'
And now my voice is slowly fadin'
And I need two steps
'Till I'm ready to confess
'Round them in that growl
Why'd you have to be around
Wishin' no feelings inside
We resist but the feeling's alright
It's alright
It's alright
It's alright
Should I stay here by your side
Baby

You're messing with my, my, my mind
With my mind
Again and again
You're messing with my, my, my mind

With my mind
Again and again
You're messing with my head
I'm gonna fall
I'm, I'm gonna fall
For you tonight
You're messing with my head
I'm gonna fall
I'm, I'm gonna fall
Tonight

Now what you sayin'
'Cause I'm not looking for a better place
You know I care about you
But we're not going anywhere like this
You know I care about you
Care about us
But we ain't going anywhere
Now what you sayin'
Now what you sayin'
Now what you sayin'
I feel I'm looking my mind
Baby
You're messing with my, my, my mind
With my mind
Again and again
You're messing with my, my, my mind
With my mind
Again and again
You're messing with my head
I'm gonna fall
I'm, I'm gonna fall
For you tonight
You're messing with my head
I'm gonna fall
I'm, I'm gonna fall
Tonight
