# Someone

**Vanotek**

Falling apart of heaven head to new lights
All of these streets torn to bright
Falling in your arms every single night
Only when I close my eyes

Tell me that you really want me
Tell me that you really changed
Tell me that you got a reason
Tell me that you want to stay
Tell me that you realize it
Tell me that you made mistakes
Tell me baby, "I believe you"
Tell me that I've had a place

Somewhere I can run
Someone I can trust
Someone I can hold on with all of my heart
Somewhere I can run
Someone I can trust
Someone I can hold on with all of my heart

I know it's useless but I can't forget
Days when you were on my side
Tell me what's out there that you cannot get?
Right here in my loving arms

Tell me that you really want me
Tell me that you really changed
Tell me that you got a reason
Tell me that you want to stay
Tell me that you realize it
Tell me that you made mistakes
Tell me baby, "I believe you"
Tell me that I've had a place

Somewhere I can run
Someone I can trust
Someone I can hold on with all of my heart
Somewhere I can run
Someone I can trust
Someone I can hold on with all of my heart

Everything I do, do, do, I do for you
Anywhere I go, go, I know I am a fool
Trying for so long, long waiting here for you
Don't know what to do, don't know what to do

Baby
Baby
Baby

Somewhere I can run
Someone I can trust
Someone I can hold on with all of my heart
