

Tara... tara... tara... tara...

Wanna be good, wanna be more than the girl with a dream
Wanna be great, wanna be who they were trying to see
Gotta be cold, wanna be strong, there"s a war in my mind...
I don"t wanna know, I don"t wanna to know... I know!

Wanna be good, wanna be more than the girl with a dream
Wanna be great, wanna be who they were trying to see
Gotta be cold, wanna be strong, there"s a war in my mind...
I don"t wanna know, I don"t wanna to know... I know!

The only thing I need is time to heal from the pain
Used to think that it was chasing my name
I"ve been through all this to find my peace!
I wanna hear what you"re saying to me...

Tara... tara... tara... tara...
What you"re saying to me... tara
What you"re saying to me... tara
What you"re saying to me... tara
What you"re saying to me...

Now I belong where I"ve been told that I done to all wrong
All that I know is that I want, even you think so
Gotta be cold, wanna be strong, there"s a war in my mind...
I don"t wanna know, I don"t wanna to know... I know!

Now I belong where I"ve been told that I done to all wrong
All that I know is that I want, even you think so
Gotta be cold, wanna be strong, there"s a war in my mind...
I don"t wanna know, I don"t wanna to know... I know!

The only thing I need is time to heal from the pain
Used to think that it was chasing my name
I"ve been through all this to find my peace!
I wanna hear what you"re saying to me...

Tara... tara... tara... tara...
What you"re saying to me... tara
What you"re saying to me... tara
What you"re saying to me... tara
What you"re saying to me...
