

# Vision

Oh vision  
Take me far away  
Take me far away from here

Oh vision  
Let me go this way  
Take me far away from here

I'm gettin' closer and closer  
Don't leave me all alone here  
'Cause I've been tryin' to find my home  
I'm gettin' closer and closer  
Don't leave me all alone here  
'Cause I've been tryin' to find my home...  
I've been tryin' to... Oooh!  
I'm tired of, of walking alone... I've been tryin' to... Oooh!  
Why does my heart feel so wrong?  
I've found my home... God!  
I've found my home... God!  
I've found my home...

Oh vision  
Clear the way for me  
I was too blind now I see  
Oh vision  
Now I understand  
I'll be patient till the end

I'm gettin' closer and closer  
Don't leave me all alone here  
'Cause I've been tryin' to find my home

I'm gettin' closer and closer  
Don't leave me all alone here  
'Cause I've been tryin' to find my home

Living inside my mind  
There was no end to hide  
From me, so I have to fight  
Living inside my mind  
There was no place to hide  
From me, so I had to fight

I'm tired of, of walking alone... I've been tryin' to... Oooh!  
Why does my heart feel so wrong?  
I've found my home

How many times before  
I've acted like I'm lost  
'Cause I've been tryin' to find my home  
And every time I cried  
I got there like I'm lost  
But now I think I've found my home... God!

Oh vision, take me far away, take me far away from here
