

Atlas Falling

VANT

Keep breeding, keep dreaming 'bout your moment in a magazine
Your hen do's the only time you've been inside a mother fucking
limousine
Keep breathing, keep screaming 'bout your nation's lost soverei
gnty
Put a penny in the slot of the crystal fucked, diamond sucked f
ruit machine

You'll never know
If you don't go
Searching for an after glow

Atlas falling who's victorious

Keep hissing, reminiscing 'bout your heyday on the silver scree
n
Amsterdamn fake tan, limp shit bizkit, would a could a been
No-one's calling, keep crawling back, sucking up to billy jean
Smoke your crack rock, tick tock, coffin, coughing better eat a
n aubergine

You'll never know
If you don't go
Searching for an after glow

Atlas falling who's victorious

Who's victorious
Worried about your own damn life
Atlas falling your still yawning

Who's victorious
Worried about your own damn life
Atlas falling your still

You'll never know
If you don't go
Searching for an after glow

Atlas falling who's victorious
