

Birthdays

VANT

I remember a time, not so long ago
When I worked in a bar, a bar called birthdays
A girl asked me do I get a free shot? and I asked her why?
She said I just turned nineteen and the bars called birthdays

Happy birthday
The shots aren't free
Happy birthday
This ones on me

Where do you go when all the good times go away?
I said I go to a bar, a bar called birthdays
She said when was the last time that you seized the day?
I don't know I spend my whole life in a bar called birthdays'

Happy birthday
Just turned thirty
Happy birthday
Still don't feel free

Baby
When you're drunk
You keep falling apart
Little baby
My baby
I'm proud of you though
Know that

Baby
When you're drunk
You keep falling apart
Little baby
My baby
I'm proud of you though
Know that
