

DO YOU KNOW ME?

VANT

I get this feeling that I'm all alone
A suit, a headset and a telephone
Pick up, put down, dial tone
I'm good for nothing

If someone picks up then I'm still alone
Just another voice on a telephone
I'm down, I'm broke, I'm tired
I want something more

So let me hear you say

You should know me
You should know me
By now
Do you know me?
Do you know me?
Do you know me?

Just another waiter in a dead end bar
But waiting on nothing don't get you far
I pull, I pour, I guess It's good for something

I'm alcoholic cause' it numbs the pain
Everyone I know tends to feel the same
They smoke, they drink, they take
They want nothing more

So let me hear you say

You should know me
You should know me
You should know
By now
Do you know me?
Do you know me?
Do you know me
At all?

So let me hear you say

You should know me
You should know me
You should know
By now
Do you know me?
Do you know me?
Do you know me
At all?

You should know me
Know me, know me
Know me, know me
Know me by now
Do you know me?
Do you know me
At all?
