MESS AROUND

VANT

My best friend is a dirty dog
He's a smoker, joker, brother, lover, gift from God
He's a crazy mother fucker but he's my best friend
And we'll waste our time until the very end

Til the end
Til the end
Til the end
Til the end

All our time's spent messing around
All our time's spent messing around
All our time's spent messing around
Yeah dumb blood won't bring us down
Mess around
Mess around

Our stories keep talking, they're a tour de force
The tracks been beaten but we're still on course
A ch-ch-ch-change my mind every week or two
I la-la-la-love you brother this one's all for you

All for you
All for you
All for you

All our time's spent messing around
All our time's spent messing around
All our time's spent messing around
Yeah dumb blood won't bring us down

All our time's spent messing around
All our time's spent messing around
All our time's spent messing around
Yeah dumb blood won't bring us down

Mess around
Mess around
Mess around
Mess around
