

Off Of

VANT

Halfway between the dole and cherry knowle
Talking strangers off of bridges
Smearing ink off of the walls

How did I get here?
Is this everything
Or is there more?

Moving to the city tryna be a better man
Mopping blood off of the counters
Taking notes off of the lambs

How did I get here?
Is this everything
Or is there more?

How did I get here?
Is this everything
Or is there more?

How did I get here?
Is this everything
Or is there more?
