

Talk Like Thunder

VANT

Whisper clearly
Turn to a breath in the breeze
Reality seems to change when it blows through the trees
Sometimes their made from gold, made from bone, made to shake
How can it seem so real, when you know that it's fake?

I don't wanna believe in someone that walks on sunshine and talks like thunder
I don't wanna believe in someone that walks on sunshine and talks like thunder
High low, hyper-la-bola
Acid cooler, coke in the cola
High low, hyper-la-bola
Acid cooler, coke in the cola

Tell me where you wanna go and tell me all the things you know
What is the meaning of life?
Is it in the water-flow, the baby-grow or mortgaged home
The smile of your debt-ridden wife? No?
Some people got it all but most of us don't so
How can we learn to breath if we're already choked?

I don't wanna believe in someone that walks on sunshine and talks like thunder
I don't wanna believe in someone that walks on sunshine and talks like thunder
High low, hyper-la-bola
Acid cooler, coke in the cola
High low, hyper-la-bola
Acid cooler, coke in the cola

The thunder and the showers of rain come down
The thunder and the showers of rain come down
The thunder and the showers of rain come down
But the thunder and the showers will go away

The thunder and the showers of rain come down
The thunder and the showers of rain come down
The thunder and the showers of rain come down
But the thunder and the showers will go away

I don't wanna believe in someone that walks on sunshine and talks like thunder
I don't wanna believe in someone that walks on sunshine and talks like thunder
I don't want believe in someone that walks on sunshine and talk s like thunder
I don't wanna believe in someone at all
