

Darkest Before The Dawn

Vargas & Lagola

Here we go again
God is good but the scene ain't pretty
I'll be my only friend
With nothing left to say, no
Heaven in love again
Gasoline on the fire in me
Nobody better than
They got nothing on you

I move, big city, wild dreams
Looking for a change
I move until my heart breaks
Come and give me some more

It is always darkest before the dawn
It is always harder in the eye of the storm
But give it until morning before you go
Ain't nobody backing down where I'm from

We'll go anywhere, you and I
I'll go anywhere, with you tonight
We'll go anywhere, you and I
I'll go anywhere, with you tonight

Here we go again
Packed my bags, gotta leave this city
I'll be my only friend
But not a gun for hire, no
I'm taking a holiday
Where the grass is green and the gold ain't pretty
Nobody better than
They got nothing on you

I move, big city, wild dreams
Looking for a change
I move until my heart breaks (Yeah, yeah)
Come and give me some more

It is always darkest before the dawn
It is always harder in the eye of the storm
But give it until morning before you go
Ain't nobody backing down where I'm from

We'll go anywhere (Anywhere), you and I
I'll go anywhere (Anywhere), with you tonight
We'll go anywhere (Anywhere), you and I
I'll go anywhere (Anywhere), with you tonight
