

# One Eternal Being

Vargas & Lagola

It's so simple  
So utterly simple  
It's really just a matter of just stop talking  
Just be present  
Be present  
With your feet on the ground  
Listen and look  
And you'll understand what I am talking about  
We are a perfect everlasting spirit  
Which is what I am  
And you are  
And everybody else is  
Not a separement mortal  
But one eternal being (Being, being, being)
