

You Were Never Safe Here : Chapter 4

Varials

Absorption of subjects consciousness

Initial symptoms: Loss of memory and all-consuming pain, followed by gradual onset of hemorrhaging as capillaries dilate

I'll have to connect myself if I want to experience their terror before it diminishes

Over time degradation of the ego generates strong suicidal tendencies

They lose who they are, and become clay completely reshapable in my image

But not me

Something keeps me from staying completely within
