

## A prisoner

Varius Manx

I'm here  
You're outside  
Turn on the screen  
Can you see me now?  
We can start a conversation  
You can ask questions  
Who am I?  
Well, I'm just a computer creature  
What I'm doing here  
I'm a pawn in this game  
Do I like it?  
To tell you the truth I envy you  
I really do

Why must I be a prisoner?  
Why must I obey you?  
Open the door  
Open the door  
You exercise your power  
so as to be able to win  
I wanna be free  
I wanna be free

Every day  
You wanna play with me  
But you will lose this game  
Why?  
I'll tell you why  
You're not that bright  
Simply not bright enough

Why must I be a prisoner?  
Why must I obey you?  
Open the door  
Open the door  
You exercise your power  
so as to be able to win  
I wanna be free  
I wanna be free
