

Blessings

VaShawn Mitchell

Raining down
Yeah
Raining down
Raining down

(Here we go say) blessings are (falling) falling
Falling down on me
Blessings are falling
(Falling) falling down on me
(Blessings) blessings are falling
Falling down on me
Yeah, blessings are falling
Falling down on me

I've found a joy that I just can't explain, yeah, yeah, yeah
Wrapped in a love and filled with so much grace
Everything I desire is already done
Blessing after blessing raining down
From the Holy One
Yep
Open the window
(That's where my blessing) that's where my blessing is gonna flow
Heaven is falling, heaven is falling (rain down, rain down)
Bringing God's glory into my life
(And I'll never) and I'll never be the same
Never be the same
Never be the same
(Blessings) blessings are falling
(Yeah) falling down on me
(Yeah) blessings are falling
Falling down on me
(So many blessings) blessings are falling
(Falling) falling down on me
Blessings are falling
Falling down on me

No good thing will ever be denied from me, no no
In Your kingdom I live more abundantly, yep
Wealth and riches
Houses and land
Healing and favor all in Your hands
Miracles surround me
Your glory is abounding, yep
Our hearts are open and we're ready for a blessing

Open the window
(That's where my blessings) that's where my blessing is gonna flow
Heaven is falling (falling right now) yep
Bringing God's glory into my life
(And I'll never be the same) and I'll never be the same
(I'll never, never, never be the) never be the same

(Blessings) blessings are falling
(Falling) falling down on me (do you believe it)
Blessings are falling (yeah)
Falling down on me (say yeah)
Blessings are falling (falling) (falling)

Falling down on me
Blessings are falling
Falling down on me

Let's say this next part together
We say (open the window) open the window
Open the window (open the window)
Lord that's what we want, open the window
(Pour out a blessing), open the window
That we won't have room enough to receive
Open the window
Lord let it overflow
Open the window
Let it overflow in my life
Open the window
Let it rain down
Open the window
Open the window
Exceedingly and (open the window) abundantly
Open the window
All we could ask or think
Open the window
I'm crying out, (open the window) I'm crying out I'm screaming
Open the window
Open the window
I promise I can handle it this time
Open the window
I promise I won't squander it this time
Open the window, please, please
Open the window, oh, ohhhhhh

Blessings are falling
(Falling) falling (falling) down on me
Blessings are falling, yeah
Falling down on me
Blessings are falling
I can feel it, I can feel it
Falling down on me
Blessings are falling
(Yeah) (falling) down on me
Blessings are falling
(Falling) falling down on me
So many blessings
Blessings are falling
(Falling) falling down on me
Blessings are falling
(Falling) (falling) down on me
Blessings are falling
(Falling) falling down on me
