

Created for worship, created to praise His name
Created to overcome, that's why I'm here...
God has a plan for me; He gave me all I need.
No defeat, only victory; I was created for this.
No defeat, only victory; I was created for this.

So I'm not worried
He hasn't given me the spirit of fear
But of love, joy, peace... and a sound mind.
I was created in His image
With all power and authority;
I was created for this. I was created for this.

There's nothing that I cannot do
By the power inside of me
Authority that's over me

No defeat, only victory; I was created for this.

I'm a child of the King, and I can do anything...

I can do anything... I can do anything...
No defeat, only victory; I was created for this.

I was created for this.
I have victory, I overcome...
I was created for this... created for this.
