

Desperate

VaShawn Mitchell

We are hungry
We are desperate
We are waiting for You
Come and quench us with Your water, Father
You're the answer, the solution, nothing else will do
Holy Father, my Redeemer
Cause we want You, we want You
We want You, all we want is You

(We are hungry)
We are hungry
We are desperate
We are waiting for You
(Come and quench us) come and quench us with Your water, Father
(You're the answer to every problem) You're the answer, the solution nothing
else will do
Holy Father, my Redeemer

If you want Him tell Him cause we want You, we want You
(We stand in need of You) we want You, we want You
We want You, we want You
We want You, all we want is You

Come on out here Taelia
You're all we want
If you want the Lord, just lift a sound into the atmosphere yeah
Come on let Him hear your worship, let Him hear your praise
That's it
