

## Fire Prayer

VaShawn Mitchell

Ignite my passion  
Purify my heart  
I surrender all to You  
Overwhelm me  
Overtake me  
Have Your way

Let Your fire burn in me  
Burn me up  
Burn me up  
Let Your fire burn in me  
Burn me up  
Burn me up  
'Til I am consumed

Holy Spirit have Your way  
Holy Spirit have Your way  
Holy Spirit have Your way  
Holy Spirit have Your way

(Holy Spirit have Your way)  
That's our prayer tonight (Holy Spirit have Your way)  
That's my heart's desire (Holy Spirit have Your way)  
That's my prayer (Holy Spirit have Your way)  
Have your way

(Let your fire burn in me)  
(Burn me up) Burn me up  
(Burn me up) Consuming fire of God  
(Let your fire burn in me) Burn me up  
(Burn me up) Burn me up  
(Burn me up) That's my heart's desire  
(Let your fire burn in me) Whatever is in me that's not like you  
(Burn me up) I don't want it, I don't want it  
(Burn me up) I don't want it, I don't want it  
(Let your fire burn in me) That's my world God  
(Burn me up) Yeah burn me up  
(Burn me up)  
'Til I am consumed
