

## Grace And Mercy

VaShawn Mitchell

God's grace and mercy brought me this far  
It's by His grace I'm goin all the way

This road has not been easy  
He never said it would be  
It was grace that kept me  
And His grace that never left me

God's grace and mercy brought me this far  
It's by His grace I'm goin all the way

I was so sick thought I wouldn't get well  
He healed my body, gave me a story to tell  
Because of His grace and mercy  
I am here today

God's grace and mercy brought me this far  
It's by His grace I'm goin all the way

God's grace...  
Mercy...
