

# Here Comes Jesus

VaShawn Mitchell

Hush now, don't you say a word  
Stand in silence, the whole world  
It is written and I agree  
The Savior is on the way  
The Savior is on the way

Hush now, don't you say a word  
Stand in silence, the whole world  
It is written and I agree  
The Savior is on the way  
The Savior is on the way

So don't be afraid my brother  
Have no fear my sister  
You have favor with God  
Divine kindness, God's amazing grace

Call him Jesus  
For He is great  
Jesus  
The Lord [?]

Here comes Jesus  
And tell it in the valley low  
Here comes Jesus  
Let the nation sing that here comes Jesus  
Here comes Jesus

King of Kings forever and ever  
The Lord of Lords, hallelujah, hallelujah  
King of Kings forever and ever  
The Lord of Lords, hallelujah, hallelujah  
Hallelujah, hallelujah  
Hallelujah, hallelujah  
Hallelujah, hallelujah  
Hallelujah, hallelujah

Here comes Jesus  
Here comes Jesus  
Here comes Jesus

Here comes Jesus  
Here comes Jesus  
Here comes Jesus
