

In Control

VaShawn Mitchell

When it all seems to fall apart
You still have my heart
When nothing seems to be making sense
You can handle it

When I don't get what I want
I'll still trust Your plan
When it seems like way too much
You hold my hand

When it all seems to fall apart
You still have my heart
When nothing seems to be making sense
You can handle it

When I don't get what I want
I'll still trust Your plan
When it seems like way too much
You hold my hand

You are in control
And You know what I do not know
And if You watch the sparrow
Then I know You're watching me

I will trust You
With all my heart
I will depend on You
All my hope is
In You oh Lord
You are in control

I will trust You
With all my heart (with all my heart)
I will depend (I will depend on You)
Every day of my life
(All my hope is)
It's in You (in You oh Lord)
You are in control
(You are in control)

Though I can't see
What You are doing
Lord I believe You're taking care of me
You never failed and
You won't start now
Lord I believe You're taking care of me
(Though I can't see) exactly what You're doing
(What You are doing)
I believe
(Lord I believe)
That You're taking care of me
You never fail (You never fail)
You won't start (You won't start now)
I believe
(Lord I believe)
That You're taking care of me

(You're taking care of me)
Taking care of me
(You're taking care of me)
I'm on Your mind my God
You're taking care of me
(Taking care of me)
Ohh
You're taking care
(Taking care of me)
Yes You are
(Taking care of me)
(Taking care of me)
(Taking care of me)

Though I can't see
What You are doing
Lord I believe
You're taking care of me
You never fail
You won't start now
Lord I believe
You're taking care of me
Yes I know You're watching me
