

It Passed Over Me

VaShawn Mitchell

I don't know why He did it Can't tell you why He did it
All I can say is that He did it All I can say is that He cares
Not because of how good I was But because of how great He is
He looked beyond my faults and saw my needs
God allowed everything to pass over me

Could have been in an accident could have lost my life
But there's a reason I'm still here
Not because of how good I was But because of great He is
He looked beyond my faults and saw my needs
God allowed everything, He allowed everything,
God allowed everything to pass over me

(Spoken word)

He didn't let it be Oh Lord
Solo: The devil tried to take me out of here, but God ...
